If you are looking for a chance to run, walk, or just have fun while supporting a great cause then you have come to the right place. We will host our 14th annual Run to Victory 5k and 10k run/walk on September 14th. The race begins and ends at Victory Junction, a camp that provides children with serious medical conditions and chronic illnesses a chance to put their diagnosis or disabilities behind and discover their capabilities. Your support will enable us to provide safe, life-changing experiences at no cost to each camper and their family.
